### **About ASLA**

Founded in 1899, ASLA is the national professional association for landscape architects, representing more than 16,500 members in 48 professional chapters and 68 student chapters. Landscape architecture is a comprehensive discipline of land analysis, planning, design, management, preservation, and rehabilitation. ASLA promotes the landscape architecture profession and advances the practice through advocacy, education, communication, and fellowship. Members of the Society use their “ASLA” suffix after their names to denote membership and their commitment to the highest ethical standards of the profession. Learn more about landscape architecture online at [www.asla.org](http://www.asla.org) or the Florida chapter at [www.flasla.org](http://www.flasla.org).
